# FoBS Fundraiser

2021/2022 Term 1 Issue 1

Welcome to the first edition of the FoBS Fundraiser, our new twice per term update, and for all new parents to the school - FoBS would like to say a massive welcome. You have already made an excellent decision in joining the school and we hope both you and your children have many happy years here.

Following what can only be described as a challenging 18 months for the whole country, it is finally starting to look like we are coming out the other side and life is starting to look more normal. As each restriction is lifted it allows FoBS the opportunity to resume fund raising activities in earnest.

The FoBS year started on 24<sup>th</sup> June with our delayed AGM, which saw the selection of our new fund-raising committee, full details of the elected members can be found below. As the new Chair of FoBS I would like to offer my deepest thanks to the previous committee for doing a good job in such challenging times, the Christmas raffle was a particular success. Well done guys.

To the new parents among you, FoBS (Friends of The Bythams School) is a charity run by parent volunteers with the aim of raising valuable funds for the school. This money pays for new equipment and enrichment activities for the children.

### We need you!

As we look to plan our fundraising events for the coming school year, it is obvious that more now than ever, we need your help to let us continue to raise valuable funds for the school.

Can you spare an hour here and there to help at one of our many events?

Have you some spare time to help organize an event or to take on one of the regular jobs that FoBS delivers to the school, such as helping in the school garden or helping with one of the afterschool clubs?

If you have some spare time email the Chair on

## A History of FoBS

### Fundraising through the ages

FoBS was first registered in October 1995 and has a proven track record of raising funds for valuable projects that have helped improve the life and education of hundreds of pupils, past and present.

Our typical fundraising activity throughout the school year ranges from "pop-up" shops, Christmas jumper or non-uniform days, school discos, Tree Dressing at the Spinney, the May Fair and keepsake photos and videos of the school productions.

Then with the pandemic, FoBS had to think on its feet, as a socially distanced school disco just does not work! This saw the launch of the FoBS Christmas raffle which partnered us up with local businesses who generously donated prizes.

We now intend to come more into the modern realm of fundraising and have just launched our very own text donation service to allow people to make both one off and regular monthly donations. This will be hotly followed by our monthly text message raffle where the winner will receive a cash prize.

If you have an idea for raising funds, please email FoBS.Ideas@Outlook.com

To all the new parents joining the school for the new school year, a massive welcome from FoBS. Even for those parents who already have siblings at the school, the first few days can be a daunting experience as there are lots of forms to complete and systems to enrol on that might not have been around the last time you went through this.

You have received your copy of The Bythams Primary School New Parent Handbook. Please take a bit of time to go through it, as almost every question you have will be answered within it. If you cannot find the answer to a question, then please call the school office or reach out to Fobs.Ideas@outlook.com and we will try and get you the answer.

The important thing to remember is that you are not alone, along with the school, FoBS is here to help you settle into life as a new school parent.

Kind Regards

Matt Dutton
