

**The Bythams Primary School
Catch Up Funding Plan 2020-21**

Catch Up Funding Allocation: £6799 (Sept 2020-July 2021)

The Bythams School Recovery Targets:

To have an accurate understanding of all gaps as a result of baseline assessments using standardised materials

To adjust the planning at a class, group and individual level to target gaps

To use quality first teaching effectively to target whole class gaps which results in pupils making strong gains in learning to get back on track

To group pupils with common gaps in learning in order to address gaps swiftly and help pupils to get back on track

To effectively prioritise tuition across the school and ensure it is delivered by a skilled teacher, resulting in pupils catching up swiftly

To use assessment for learning effectively to track the impact of pupils and, as a result, provide teachers with a clear understanding of the impact of their work
