

The Bythams Primary School September 2021

We pride ourselves on being a caring and friendly rural school offering children the following:

Outstanding outdoor learning environments including woodlands for Forest School, extensive allotment and large EYFS outdoor provision;

An engaging, creative and challenging curriculum;

Quality teaching and learning;

Before and after school care available, rated Ofsted Good;

A wide range of technological opportunities.

We are a small nurturing school supporting children's physical and emotional development.
