

Going to Primary School In Lincolnshire 2021/22

Foreword

Dear Parent or Carer

As Head of Paid Services I am pleased to introduce 'Going to School in Lincolnshire' to you and to thank you for considering our schools. Our standards are high and children thrive in our schools. We want every child to develop and achieve their full potential and we need your support as parents and carers to help us. This partnership is vital in helping our young people become independent and responsible citizens who can make a positive contribution to society.

Please take the opportunity to visit schools where you will find happy children with excellent staff working in a range of different ways to fulfill each child's potential. I know our teachers will be pleased to show you round their school to see the wonderful work that is being done.

Debbie Barnes.
Head of Paid Services

Comments

The contents of this book booklet were correct at the time of going to press in August 2020.

We are always happy to receive feedback on the usefulness of this booklet. If you wish to make a comment, please contact the Education Team on 01522 782030, or email schooladmissions@lincolnshire.gov.uk

General information

This guide is for:

- Parents applying for a reception place at a primary or infant school with children typically born between 1 September 2016 and 31 August 2017
- Parents of Year 2 children at an infant school who require a place in Year 3 at a junior or primary school
- Parents of Year 2 children at a primary school who require a place in Year 3 at a junior school

Introduction

This booklet is produced by the County Council School Admissions Team. It contains information about schools, summaries of their admission policies and other useful information. This booklet lets you know how to apply and basic information about a school's policy but we recommend that you speak to schools to arrange visits and see first hand how they operate. You may also wish to see their full admissions policy which is on their website, the Lincolnshire County Council website or can be requested from the school.

The school admissions team

We are part of Lincolnshire County Council and are responsible for coordinating the admission of children into schools. We provide information on the application process, schools admissions policies, provide ways to apply, answer any queries and notify you of any offer of a school place.

How you can contact us

You can contact us:

- By email at: schooladmissions@lincolnshire.gov.uk
- By phone: 01522 782030. Our customer service centre is open from 8am – 6pm Monday to Friday (exc. public holidays)

Interpreting service

If you speak little or no English, we provide access to an interpreting service. Our staff will be pleased to help you in using the service if required.

Types of schools

Schools have different bodies that make decisions about a schools policy and admitting pupils depending on the type of school that they are. The responsible body is known as the 'admissions authority'. Later in this booklet there is a list of all schools and this also details who the admissions authority is for that school.

Community and controlled schools

Lincolnshire County Council (LCC) as local authority is the admission authority for these schools and makes decisions about the policy they use for school admissions. These schools use the Lincolnshire County Council admissions policy. Although these schools are maintained schools and Lincolnshire County Council is the admissions authority, schools have authority to deal with applications and make admissions decisions within their school as long as they follow their school admissions policy.

Academy schools

Academies receive funding directly from the government and are usually run by an academy trust. They have more control over how they do things than community schools who are guided by the local authority. Academies are inspected by Ofsted. They have to follow the same rules on admissions, special educational needs and exclusions as other state schools and students sit the same exams. Academies have more control over how they do things, for example they set their own admissions policies and term times.

Voluntary aided schools and foundation schools

Foundation schools and voluntary schools are funded by the local authority but have more freedom to change the way they do things - sometimes they are supported by representatives from religious groups. The admissions authority for these schools is usually the schools governing body.

Free schools

These are schools set up by non profit agencies and set their own policies. They operate in a similar way to an academy school in relation to school admissions.

Starting in reception

Admission authorities must provide for the admission of all children in the September following their fourth birthday. We process these applications on the basis that most children will start school at the same time. Parents are able to start their children any time until the child is compulsory school age, which is the term after the child turns five. For example, a child born in November will be compulsory school age in January.

You can request that the date your child is admitted to school is delayed until later in the academic year but not after the time which they become compulsory school age. You can also request that your child takes up their place part-time until they reach compulsory school age. If you intend to do this you should discuss it with the school. If your child was born in the summer term and you wish to delay entry to school until compulsory school age, the school will not hold the place and you will need to reapply for a place in year one in the summer term before starting school, The class may be full at this point so you may wish to consider this carefully. More details for summer born children wishing to enter reception at compulsory school age is provided later in this booklet.

By law every child must be in receipt of education at the start of term after their fifth birthday.

When to apply and application deadline

For starting reception and junior school applications we open our online system on **16 November 2020**. Alternatively, from this date you can phone us for a paper application form or make a telephone application.

The closing date for receipt of applications is **12 noon on the 15 January 2021**. We accept applications until 12 noon on 12 February 2021 but we cannot process any new applications or changes of applications after that deadline. If an application is received after this time it will be processed after national offer day.

How to apply for a reception or junior place

You must apply through your home Local Authority. Over 95% of Lincolnshire parents apply using the online application system, but you can also apply by phone by contacting us on 01522 782030. Please apply using one method only.

If you live in Lincolnshire but would like a school out of the county you must still apply through Lincolnshire. We will contact the other local authority on your behalf to process your application. If you live out of county and want a Lincolnshire schools you must apply through your own local authority and they will contact us to process your application.

Lincolnshire residents can apply online at www.lincolnshire.gov.uk/schooladmissions. If you apply online and enter a valid email address you will receive an email confirming your preferences.

If you apply by phone and provide a valid email address you will receive confirmation of your application by email. If you cannot provide a valid email address we will send you a confirmation letter by post for you to verify and return.

Supporting evidence

Schools have different oversubscription criteria. Some may need additional information to make sure your application is considered correctly against their oversubscription criteria.

All schools prioritise looked after or previously looked after children. If your child is looked after or previously looked after by the local authority you will be able to notify us of this on your application but we may ask for further evidence of this.

Some schools consider medical or faith reasons within their oversubscription criteria. If you wish to apply under these grounds you will need to state this on your main application. If you apply online you will need to tick the relevant box if you are applying under religion, faith, or medical grounds. Please be aware that you may need to submit additional documents to support your application, for example a baptism certificate. Please see the schools full admissions policy or contact the relevant school for further information.

If you have any other supporting reasons, such as that you are a child of a staff member and the schools policy takes this into account you can either email schooladmissions@lincolnshire.gov.uk or send a supporting letter. If the schools admissions policy doesn't take into account that reasons for your application within their oversubscription criteria (e.g. due to ease of travel arrangements) then they are unlikely to be able to take this into account.

You can see which oversubscription criteria a school uses by reading their admissions policy, a summary of this is included in this booklet. To read a school's full policy which details what supporting documents they may request please visit the Lincolnshire County Council or the school's website.

If you are applying on the basis that you have a sibling attending a school you need to indicate this on the application form but it is unlikely that you will need to provide evidence of this other than their name and date of birth.

If you are applying and you have non-traditional living arrangements, you may wish to contact the school admissions team for advice prior to making your application. We may need evidence that your child lives at a particular address.

Parental preference

The application form allows you to outline your preferred schools. The legislation does not guarantee you a place at a preferred school so you need to consider carefully the schools you list on your application form.

The schools receive a list of all applications received with no information with regard to where the school appears in the order of preferences. Schools then rank the applications in line with their oversubscription criteria and submit this to the school admissions team. The school admissions team then process the application to see which schools can be offered to a child. If more than one school can offer a place, the parents order of preferences will be used to decide which school they would prefer. One offer is made to each child and therefore if more than one school can offer a place, the other places are released for other applicants.

We have given a summary of a school's oversubscription criteria in this booklet. If you would like to see a school's full admission policy you can look at our website, the school's website or contact the school directly for a copy of the policy.

You can name a maximum of three schools on your application. We strongly recommend you name three preferences on your application in case we cannot offer your first or second preference school. We also recommend that you consider a local school as most schools use distance in their policy. Places are not reserved at local schools for students who do not apply if that school is oversubscribed. If we cannot offer a place at any of your preferences it may result in your child being offered a school that is not in your local area.

Other local authorities' coordinated schemes may allow parents living within their authority to express more than three preferences on their application. We advise parents living in other local authorities that Lincolnshire County Council will not accept more than three preferences for Lincolnshire schools.

You should always bear in mind any transport costs when choosing your school.

Receiving school offer

You will receive your school offer either via email or letter from **16 April**, depending on how you applied.

We will assume you wish to accept the offer unless you tell us otherwise. If you wish to refuse the offer please do so by **30 April**.

Number of children a school can admit

Each school can admit a certain number of children each year. This number is outlined in a school's admissions policy and is provided for each school later in this booklet.

Sometimes there are more applications than the school can admit and this is when the governors look at the oversubscription criteria in their admissions policy to decide which children to offer places to. We publish a summary of these in this booklet; full policies are available on our website and the school's website.

Reserve lists

If you are not offered a place at a school in Lincolnshire, your child is automatically put on the reserve list unless you have been offered a higher preference. For example; if you are offered your second preference your child will be on the reserve list for your first preference school.

We will notify you if a place becomes available for your child from a school's reserve list. If a school is oversubscribed in the normal year of entry, it must keep a reserve list until the end of the autumn term, some may keep it longer. You should contact the school for further details or look in their admissions policy.

No offer from preferred schools

If none of your preferred schools can offer a place and you live in Lincolnshire the school admissions team will make sure you have a school for your child. We will do this by offering the nearest school to your home address that has an available place. For any refusal you also have the right to appeal and the option to submit a revised application.

We advise you not to refuse the school place offered so that your child has a secure place for September. If a school is unable to offer you a place, accepting an alternative offer does not affect your right to appeal.

If we cannot offer your child a school and you do not live in Lincolnshire, your home local authority will be responsible for offering your child a place at an alternative school.

Revised applications

If you wish to change your application you can submit a revised application to amend your preferences. A revised application can only be made after you have received an offer of a school place. We must receive your revised application by **17 May 2021** in order to inform you of the outcome the week commencing **24 May 2021**. Revised applications received after this deadline will be processed at a later date.

You need to name any schools you wish to be considered for on the revised application. For the schools who could not offer a place your child will not remain on the reserve list unless you list them on your new revised application. If a place can be offered at a school named on your revised application, your previous offer will be withdrawn.

How to appeal

You have the right to appeal if a school you have named on your application has refused a place. Detailed information about appealing is available on our website and will be provided at the time you receive your offer of a school place.

You can appeal for more than one school at the same time. If you are successful with an appeal we can cancel any outstanding appeals but we will contact you first to check that you want these to be cancelled.

All admission authorities must post their appeals timetable on their website by **28 February** each year.

The appeals process

After lodging an appeal you will be invited to an appeal hearing. Here you will speak directly to an appeal panel; these are the people who make the decision whether to offer your child a place. There will also be a clerk and representative of the school at the hearing, who take no part in the decision making.

An appeal panel is made up of at least three independent members, who have no connection to the school or local authority.

The panel's decision is binding and can only be overturned in a court of law. If you are unsuccessful you can only appeal again for the same school, for the same academic year, if there has been a significant change in circumstances relevant to the application, for example if you have moved address.

If you are appealing for a place in reception, year 1 or year 2 and the school is organized in classes of 30 with a single teacher, you should read the advice we send very carefully. There are very limited reasons why such an appeal can be successful and we have a duty to inform you of this.

Transfer from nursery to main school

This will not happen automatically, you will need to apply for a place in reception and there is no guarantee your child will be offered a place at the school. You should be aware that attendance at pre-reception, nursery or attached playgroup is not taken into account by the majority of schools when allocating places; if they do, it will be listed as oversubscription criteria in their admissions policy.

Nursery schools

The Headteacher can give you details of any pre-reception, nursery or attached playgroup and how you can obtain a place. We also have five Local Authority nursery schools; details are given at the back of this booklet.

Linked infant and junior schools

Some infant schools take account of a brother or sister at a linked junior school; some junior schools give priority to children who have a sibling at the linked infant school. This will be stated in the oversubscription criteria in a school's full admissions policy.

For this to be taken into account when considering the application you must name the sibling on your application.

Listed below are junior schools children usually transfer to when they attend a particular infant school. Transfer is not automatic and an application must be made.

Branston Infant School
Gainsborough Hillcrest Academy
Grantham Harrowby Infant School
Grantham Little Gonerby Infant School
Holton-le-Clay Infants School
Lincoln Bracebridge Infants
Lincoln Manor Leas Infants
Lincoln Mount Street Academy
Lincoln St Faith's Infants
Lincoln St Peter in Eastgate Infant

Branston Junior Academy
Gainsborough White's Wood Academy
Grantham The National Junior School
Grantham The National Junior School
Holton-le-Clay Junior School
Lincoln Manor Leas Junior Academy
Lincoln Manor Leas Junior Academy
Lincoln Westgate Academy
Lincoln St Faith & St Martin Junior
Lincoln Westgate Academy

Lincoln The Lancaster School
Lincoln Woodlands Infants
Louth Eastfields Infants
Marshchapel Infant School
Nettleham Infants
Skegness Infant Academy

Lincoln Birchwood Junior
Lincoln Birchwood Junior
Louth Lacey Gardens Junior
Grainthorpe Junior School
Nettleham Junior School
Skegness Junior Academy

Child's home address

For admissions purposes the address that is used is the one where your child lives for the majority of school term time. The only exception to this rule is for children of UK service personnel and other crown servants; there is more about this later in the booklet.

A full definition of the term 'home address' can be found in the school's full admissions policy. You will need to read school's full admissions policy if your child's living arrangements aren't straightforward, such as you have more than one property, or your child splits their time between more than one home. You can contact the school admissions team for advice prior to making an application if you are unsure which address to use. Different schools admissions policies may differ on which address they will accept so you need to read these carefully.

We have a duty to prevent fraudulent applications and will always look at an address closely as this is one of the biggest factors in deciding which school is allocated. It is not possible to accept a new address claim if it is not received by the deadline for receiving applications; if this is the case we will write to you and explain why we have not accepted the address.

Moving address

If you have submitted an application and your child moves address, you must immediately inform us. We can only take into consideration a new address if your child is living there by **12 noon on 11 February 2021**, you have notified us that you have moved before this date and we have received the appropriate proof of residency. We will not take into consideration an intention to move except for armed forces personnel as outlined later in this booklet.

If your child moves after this deadline, but before national offer day, your new address will initially be used for correspondence purposes only. Once offer day has passed and we have received appropriate proof, your child's residence address will be updated.

If you are new to Lincolnshire, or if you want to change preferred schools, you must do this by **12 noon on 11 February 2021**. Any applications or changes to preferences received after this deadline will be processed at a later date.

Fraudulent applications

The Local Authority and schools have the right to investigate any concerns they may have about your application. If there is evidence that you have made a fraudulent claim, or provided deliberately misleading information, government regulations allow for the withdrawal of a school offer.

Withdrawal of an offer

Once we have made an offer we can consider withdrawing the place in the following cases:

- Where a fraudulent or intentionally misleading application led to an offer of a place. For example, a false address was given which denied a place to child with a stronger claim
- Where you do not respond to our offer or any of our follow-up letters
- Where an error has led to an offer of a place.

If an offer is withdrawn, you will be notified of your right of appeal.

Children with an education health & care plan

There is a different procedure for children who have an Education Health & Care Plan, you should speak to the staff in your child's early years setting or phone the special educational needs team on 01522 553332 for assistance.

A school admissions appeal panel cannot grant a place to a child with an Education, Health and Care Plan.

Children without an education health & care plan

Children who have special educational needs but do not have a Care Plan will be treated the same as any other child. This means their special educational needs will not give priority when allocating a place and you should apply in the usual way as set out in this booklet.

Appeals for children with an education health & care plan

If you do not agree with the school named in your child's Education Health & Care Plan you should speak to the people named in the covering letter who will be able to discuss your concerns and advise on next steps. .

Admission arrangements for children with special educational needs

If your child does not have an Education Health & Care Plan the best people to speak to will be the staff in the schools you are considering.

If your child has an Education Health & Care Plan you can seek advice from your child's current school, the schools you are considering and staff in the Special Educational Needs and Disabilities (SEND) team at Lincolnshire County Council. Their telephone number is 01522 553332

Applications from UK service personnel and returning crown servants

This applies if the parent is current a serving member of the UK armed forces or is a crown servant returning from abroad.

Applications will be coordinated through Lincolnshire LA if the family has either

- A confirmed posting order or official letter with a unit address or quartering address within Lincolnshire.
- A confirmed posting order to the UK and confirmed address in Lincolnshire to which they are returning before the end of October of the admitting year. Consideration of the address accepted for implementing the oversubscription criteria may differ as the policy of each school will be followed.

If the move is not due to an official posting and you reside in the UK then the application should be made to the child's current home Local Authority. If the move is due to an official posting then you will need to note this on your application form and provide evidence of this.

If none of the schools listed on the application form can offer a place, Lincolnshire County Council will offer the closest Lincolnshire school to the address accepted on the application form if the accepted address is in Lincolnshire. If the address accepted is outside of Lincolnshire, no alternative school will be offered as it is for the child's home LA to offer an alternative placement.

In order to remove disadvantage to families of service personnel who apply after the initial allocation of places has occurred (late applicants), the school admissions team will approach the schools listed on the application to consider whether the school wish to offer a place to the child even if the published admissions number has been met. These decisions will be made by the individual admissions authorities concerned in line with their admissions procedures for forces applicants and will be clearly communicated to parents. In all cases, if a place is refused, parents will be notified of their right of appeal.

If you would like further information about forces moves and how applications will be considered, please contact the

Military covenant

The government has signed the military covenant aimed at helping to remove disadvantage for service personnel, and crown servants returning from abroad. It outlines that we aim to remove any disadvantage these families may face from military life. We have worked with all school admission authorities in Lincolnshire to promote that their admission arrangements support the government's commitment to removing disadvantage for these families.

Foreign nationals

All European Economic Area ('EEA') and Swiss national children have the right, under UK immigration law, to enter the country to access a school.

Please note the following guidance for foreign national children who are not European Economic Area ('EEA') or Swiss nationals:

If you hold a General, Business, or Family Visitor visa to the UK. Your child **would not** be permitted to study at an academy or a local authority-funded school (also known as state funded) or further education college.

If you would like your child to study in the UK your child would be required to hold a **Tier 4 visa** which would permit them to study at an independent school.

Your child **would not** be permitted to study at an academy or a local authority-funded school (also known as state funded) or further education college

Parents are reminded to ensure your child holds the correct entry visa before making a school application. If a school or the local authority has concerns about a particular child's immigration status they will refer the case to the Home Office.

Equal preference system

We no longer use a system where schools prioritise applications that list their school as first preference; instead we use an equal preference system. This means we pass on your application data to your preferred schools, but do not tell them the order you have listed the schools. Only the school admissions team can see your order of preference. If multiple schools inform us that they can offer your child a place, we will offer you the highest preference available. You will not receive multiple offers.

Coordinated scheme

A coordinated scheme is a document that lays out how your application will be processed, including;

- A timetable
- Explanation of cross Local Authority coordination
- Information on the application and offer process

The coordinated schemes for Lincolnshire are available on our website: <https://www.lincolnshire.gov.uk/schooladmissions>

Distance measure

The distance from your home to the school is often important in the school's oversubscription criteria. Our measuring system meets the government's regulations and we apply it in a fair and consistent manner.

We use an electronic measuring system and measure in most cases from the post office address point of your home to the post office address point of the school; these are not the same as postcodes and are individual to each property.

We provide schools with straight-line distance for all applicants and measure to three decimal places e.g. 1.256 miles. The oversubscription criteria of a school's admissions policy will state what measurements they use. No primary schools in Lincolnshire use an alternative method to measure distance.

Admission of children below compulsory school age

Schools provide for the admission of all children in the September following their fourth birthday.

When a school has offered your child a place:

- Your child is entitled to a full-time place in the September following their fourth birthday
- You can delay the date your child is admitted to the school until later in the school year. This cannot be beyond the point at which they reach compulsory school age and not beyond the beginning of the final term of the school year for which the offer was made, whichever is sooner.
- Your child may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age

If you are interested in delaying admission or arranging part-time attendance you should contact the school to discuss this.

Parents of summer born children deferring admission until their child starts Year 1 risk losing the offered school place.

Admission of children outside their normal age group

You may seek a place for your child outside their normal age group, for example, if your child is gifted and talented or has experienced problems such as ill health. To make a request you should contact your home local authority for guidance on the procedure to follow.

Where a parent requests their child is admitted out of their normal age group, the school admission authority is responsible for making the decision on which year group a child should be admitted to. They are required to make a decision on the basis of the circumstances of the case and in the best interests of the child concerned. There is no statutory barrier to children being admitted outside their normal age group, but parents do not have the right to insist that their child is admitted outside of their age group.

It is reasonable for admission authorities to expect parents to provide them with information in support of their request – since without it they are unlikely to be able to make a decision on the basis of the circumstances of the case. Admissions authorities will not refuse to consider an application simply because it is not accompanied by supporting evidence. If you wish to provide evidence to support your request, it is your responsibility to send this to us. We will not contact you for this information.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned.

This will include taking account of:

- Your views
- Available information about the child's academic, social and emotional development
- Where relevant, their medical history and the views of a medical professional
- Whether they have previously been educated out of their normal age group
- Evidence that the child may naturally have fallen into a lower age group if it were not for being born prematurely
- The views of the head teacher
- Whether it is in the child's best interests to be admitted into reception or year 1 if parents wish to defer until the child is statutory school age

You may wish to contact the schools at which you would like to request an out of cohort place prior to applying to discuss this. Headteachers of these schools are advised not to offer a letter of support regarding a particular applicant unless they know the child in an educational. Their opinion will be sought as part of the decision making process as outlined in the School Admissions Code (2014).

In year applications – applying for a transfer to another school

If you want to move your child to another school you can submit an in year application. In year applications can be made online at www.lincolnshire.gov.uk/schooladmissions or you can request a paper application.

If you are not moving address but want to change your child's school you should discuss this with your child's present Headteacher. We believe it is best to avoid a move whenever possible because moving schools can be an unsettling experience for children and affect the results they achieve.

Headteachers cannot legally direct a pupil to find a new school in order to avoid permanent exclusion. If this is the reason for your in year application, you should call the Pupil Reintegration Team on 01522 782030 or email them at pri@lincolnshire.gov.uk.

In year applications can be submitted from any address in the UK. Schools are advised they can hold places for a maximum of six school weeks in advance of a place being required. If you are moving, we may be able to offer you a place ahead of your move. But if you do not live in the county we will not find an alternative school for you if none of the preferences on your application can be offered. We will only do this when you reside in the county. The exceptions to this are armed forces applicants and returning crown servants as detailed above.

Applying from overseas

British nationals

Applications for British citizens living overseas will be processed no more than 6 schools weeks an advance of the required school start date. In order to process any application we will require a copy of the child's passport.

EEA & non-EEA nationals

Until 31 December 2020, all European Economic Area ('EEA') and Swiss national children will continue to have the right, under UK immigration law, to enter the country to access a school. Any EEA or Swiss national arriving in the UK by 31 December 2020 is eligible to apply to the EU Settlement Scheme, and continue to be able to study in schools in England as they do now if their application is successful.

To comply with their visa terms, foreign national children and young people (including EEA nationals entering the UK after 31 December 2020) who are entering on a Tier 4 child or Tier 4 student visa must, when accessing education in England, study at the independent school, sixth form college or further education college which is sponsoring them. Foreign nationals cannot use the 6 month visitor visa or a 6 month short-term study visa to enter the UK to enrol as a pupil at a school.

Before applying we strongly recommend that you research the schools, including visiting them if practical. Our website www.lincolnshire.gov.uk/schooladmissions provides useful links to help you research.

If free home to school transport is important you will need to find out about this before completing an application. Useful information is available online at www.lincolnshire.gov.uk/schooltransport.

We will work with the schools you prefer to find the highest preference available. If none of your preferred schools can offer a place, in certain circumstances we will find and offer the nearest available school place in your child's year group.

School transport

Transport can be granted according to the home to school transport policy. If school transport is an important factor then more information is available on our website www.lincolnshire.gov.uk/roads-transport/apply-free-school-transport or phone 01522 782020.

The school transport policy and school admissions policy use different measurements to define closest school so you should consider this when considering in which order to list schools.

Briefly we will provide or pay for transport to the school within the designated transport area, or to a nearer school if the distance between your home address and the school is more than two miles (3218 metres) measured by driving distance.

We do not provide transport to nursery schools or classes. Children become eligible for free school transport in the year in which they are five and provided they meet the conditions of the home to school transport policy.

Fair access protocol

Local Authorities are required by law to have a Fair Access Protocol in order to make sure that unplaced children, especially the most vulnerable, who live in the home local authority, are offered a place at a suitable school as quickly as possible. This includes admitting children above the published admissions number to schools that are already full.

Full details of the Fair Access protocol can be found on our website <https://www.lincolnshire.gov.uk/directory-record/63863/fair-access-protocol> or a copy can be requested from the education team on 01522 782030.

Testing and charging

There are no charges for a child to be admitted into any of our schools. There may be costs for school uniforms or school trips and you should speak to the individual school about these.

None of our primary schools select by ability, so there are no tests for admission.

Complaints procedures

All school staff have to give their pupils the best possible education and care properly for their health, safety and welfare at all times. If you feel something is not quite right and you have concerns or you want to complain you should talk to the Headteacher in the first instance. Our website <https://www.lincolnshire.gov.uk/comments-feedback/make-complaint> gives further information on complaints.

Free school meals

School meals contribute to the development of good food habits and eating a healthy balanced diet has proven benefits for health and concentration. School meals can have significant benefits both for individual children and for the broader life of the school. In order to have the correct balance of food groups, the School Food Standards are intended to help healthy eating habits and ensure that children get the energy and nutrition they need across the whole school day. It is also very important for food to look good, taste delicious and to be served in a pleasant environment. For more information on the importance of the School Food Standards go to:

<http://www.schoolfoodplan.com/actions/school-food-standards/>

For information on menus and school catering and how to order meals please contact your child's school.

You can apply for free school meals by visiting the Lincolnshire County Council website or contacting your child's school for further information.

<https://www.lincolnshire.gov.uk/school-pupil-support/apply-free-school-meals>

If your child is eligible and registered for a free school meal due to financial income, their school receives a pupil premium per pupil which is set by the government and can be spent on additional resources to help your child.

Free milk is provided in our nursery schools and nursery classes.

School attendance

Attendance at school is vital to your child achieving good outcomes. Absence in term is not expected unless your child is ill. Other absences during term time would need to be proven as an exceptional circumstance, including holidays. The Education Welfare Services offer schools and families support to ensure attendance is maintained.

Parents may not authorise absence, only the schools can do this. Schools are required to investigate if a pupil fails to attend regularly, or has been absent for a continuous period of 10 days, and where the absence is treated as unauthorised. For further information please visit link www.lincolnshire.gov.uk/school-attendance

Admissions policy

An admissions policy provides information on the admittance of children to a particular school or schools. An admission policy contains the oversubscription criteria that the admission authority will apply if there are more applications than places available, therefore, it is these criteria that determine which child is offered a place.

Meeting a part of the criteria, does not guarantee your child a place, for example, the school is the nearest one to your home address.

This booklet contains a summary of the oversubscription criteria for Lincolnshire schools. Definitions may differ from school to school. You should always check the school's full admission policy for definitions of key terms such as 'sibling' or 'home address'. To read the full admissions policy for a particular school you must contact the school direct, look at their website or visit www.lincolnshire.gov.uk/schooladmissions, where a full copy of the policy is available.

Looked after and previously looked after children

The majority of schools give highest priority to these children; further information is available by reading the school's oversubscription criteria.

Faith schools

Some schools give priority in their oversubscription criteria based on faith, if they do it is stated in their oversubscription criteria in this booklet. If you are applying to a school on faith grounds you will need to state this on

your main application and complete an additional form, which you must obtain directly from the school. This is explained in more detail in 'Supporting Reasons for Applying' earlier in this booklet.

Medical or social grounds

Some schools give priority in their oversubscription criteria based on medical or social ground, if they do it is stated in their oversubscription criteria in this book. If you are applying to a school on medical grounds you will need to specify this on your main application and complete an additional form, which you must obtain direct from the school. This is explained in more detail in 'Supporting Reasons for Applying' earlier in this booklet.

Designated transport area

For transport purposes Lincolnshire has been divided into different designated transport areas. Some schools choose to give priority in the oversubscription criteria of their admissions policy to children who live within their designated transport area. To find out your designated transport area school you can contact the School Transport Team on 01522 782020 or by emailing schooltransportapplications@lincolnshire.gov.uk. If school transport is an important factor. The County Council's policy on home to school transport gives the rules about who can claim free home to school transport.

Siblings

The majority of schools choose to give priority to children who have a sibling connection with their school. In general terms a sibling is a brother or sister; however, schools have their own definition of the term sibling. A school's full admission policy will state what they mean by the term sibling, brother and sister, and will define if this means full, half, step siblings, etc.

A school will also state if the sibling has to be attending the school when the child is due to start or if they need to be attending at the time you apply, some school also give priority to children who previously had siblings attending their school.

Siblings from a multiple birth and siblings born in the same year group

If you are applying for places for children from a multiple birth or siblings in the same year group, if one or more can be admitted within the published admission number the school will be allowed to go above its admission number as necessary to admit all the children; unless this would make the class too large or the admission will breach infant class size limits. The school will make the decision on whether to admit all children in this circumstance. The Government's School Admissions Code makes an exception to the infant class for multiple birth children but not for those born in the same year group.

Further details are in the schools full admissions policy

Lincolnshire County Council primary – oversubscription criteria for community and controlled schools

In accordance with legislation the allocation of places for children with an Education, Health and Care Plan (Children and Families Act 2014) where the school is named will take place first. We will then allocate remaining places in accordance with this policy.

The oversubscription criteria are listed in the order we apply them. If it is necessary to distinguish between more than one applicant in any criteria, the next criteria will be applied until the tie-breaker is used.

Definitions of terms indicated by numbers are given separately below.

Oversubscription criteria

- A. Looked after children and all previously looked after children. (1)

- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission. In addition in the case of infant schools a brother or sister attending the associated junior school or will be attending the associated junior school at the expected time of admission. (2)
- C. Nearest school; measured by straight line distance. (3)
- D. Church criterion where in operation at certain Voluntary Controlled schools. (5)
- E. Increasing order of straight line distance. (4)

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be drawn by an independent person, not employed by the school or working in the Local Authority Children's Service Directorate.

The intended overall effect of the proposed oversubscription criteria is to maximize the likelihood that local children will gain places at their local school in an oversubscribed year; it is not possible to guarantee this however.

Definitions and notes

1. A 'looked after child' is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22 (1) of the Children Act 1989) at the time of making an application to a school.

Previously looked after children are children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order). This includes children who were adopted under the Adoption Act 1976 (see section 12 adoption orders) and children who were adopted under the Adoption and Children's Act 2002 (see section 46 adoption orders). Child arrangements orders are defined in s.8 of the Children Act 1989, as amended by s.12 of the Children and Families Act 2014. Child arrangements orders replace residence orders and any residence order in force prior to 22 April 2014 is deemed to be a child arrangements order. Section 14A of the Children Act 1989 defines a 'special guardianship order' as an order appointing one or more individuals to be a child's special guardian (or special guardians).

2. Brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission. In all cases both children must live at the same address. We include in this criterion:
 - o a brother or sister who shares the same biological parents
 - o a half-brother, half-sister, step-brother or step-sister
 - o a legally adopted child, a child legally adopted by a biological or step-parent

We take account of sibling links across certain infant and junior schools, these are:

Associated Infant and Junior Schools

Infant School	Associated Junior School
Holton-le-Clay Infants' School	Holton-le-Clay Junior Schools
Lincoln St Faith's Church of England Infant School	Lincoln St Faith & St Martin Church of England Junior School
Lincoln St Peter in Eastgate Church of England Infants' School	Lincoln Westgate Academy
Lincoln Woodlands Infant and Nursery School	Lincoln Birchwood Junior School
Louth Eastfield Infants' and Nursery School	Louth Lacey Gardens Junior School
Marshchapel Infant School	Grainthorpe Junior School

Twins and other siblings from a multiple birth – In these cases all the children will be considered together as one application. If one or more can be admitted within the published admission number the school will be allowed to go above its admission number as necessary to admit all the children, unless this would make the class too large. The government's school admissions code makes an exception to the infant class limit in this situation.

Brother and sisters in the same year group – Where there is only one place available in the school the children will be considered together as one application. The school will be allowed to go above its admission number as necessary to admit all the children except in cases where infant class regulations prevent this from happening. If this happens we can only legally offer one place because the government's school admissions

code makes no exception to the infant class size limit for siblings in the same year group. We will offer the parent one place for one child and a different school for the other child or children.

3. The nearest school is found by measuring the straight line distance from the child's home address to all school admitting children in the relevant year group. Measurements are calculated electronically from the Post Office address point of the home to the Post Office address point to the school. We measure distance to three decimal places, e.g. 1.256 miles.
4. Measurements are calculated electronically from the Post Office address point of the child's home address to the Post Office address point of the school by straight line distance. We measure distance to three decimal places, e.g. 1.256 miles.

We use the distance calculated in this way to apply the final oversubscription criterion.

Home address

By home we mean the address where the child lives for the majority of term time with a parent as defined in section 576 of the Education Act 1996 who has parental responsibility for the child as defined in the Children Act 1989.

Where a child lives normally during the school week with more than one parent at different addresses, the home address for the purposes of school admissions will be the one where the child spends the majority of term time. If a parent can show that their child spends an equal amount of time at both addresses during school term time, they can choose which address to use on the application.

If a parent has more than one home, we will take as the home address the address where the parent and child normally live for the majority of the school term time.

We do not take into an account an intention to move.

5. The following table shows the schools where Church criterion is in operation and gives the local details of how parents can gain priority for this reason.

Parents applying on these grounds must claim this priority in their application. Attendance at worship must be verified by a signed letter from an officiating minister at the place of worship. Schools will verify claims for priority on this ground by contacting parents for details of the person who can provide written confirmation that they meet the test set below.

If you have only recently moved to the area the school can also consider written evidence of an equivalent commitment to a place of worship at your previous address, provided you have started to worship in the area you have moved.

School name	Voluntary controlled school's church criteria
Barrowby Church of England Primary School	<p>Priority will be given to children of:</p> <ol style="list-style-type: none"> 1. Regular worshippers at the local Parish Church of All Saints Barrowby 2. Regular worshippers at Barrowby Baptist Fellowship <p>Regular is defined as at least once a month at the place of worship for at least a year by the date of application. This will be verified by a signed letter from an officiating minister at the place of worship.</p>
Boston St Nicholas Church of England Primary School	<p>Children of regular worshippers at St Nicholas, Skirbeck, Boston.</p> <p>Regular worshippers would require at the least – 'Regular monthly attendance'. This involves the child attending a regular act of worship at the qualifying Church at least once</p>

School name	Voluntary controlled school's church criteria
	<p>a month and for at least one year prior to the application for a school place being made. Attendance should be verified by a signed letter from an officiating minister at the qualifying Church. Parents must indicate in their application that they are claiming this.</p>
<p>Lincoln St Peter in Eastgate CofE Infant School</p>	<p>Children regularly attending worship at any of the following Churches in no order of priority:</p> <ul style="list-style-type: none"> • St Peter in Eastgate or • St Peter in Carlton or • St Mary Magdalene Church, Bailgate or • Bailgate Methodist Church or • St Nicholas Church Newport <p>'Regular monthly attendance' involves the child attending a regular act of worship at the qualifying church at least once a month and for at least one year prior to the application for a school place being made. Attendance should be verified by a signed letter from an officiating minister at the qualifying church. Parents must indicate in their application that they are claiming this priority and must complete the form naming the person who can verify that they attend Church.</p> <p>In the event of a move to the area within a year of the time of application the school can also consider written evidence from an officiating minister at a place of 'Christian worship' at the previous address, provided the parent and child have begun attending a regular act of worship at least once a month at one of the above qualifying churches.</p> <p>'Christian worship' is defined as a regular act of worship at a Church of any Christian denomination which is a member of Churches Together in Britain and Ireland at the time of the application for a school place.</p>

School name	Voluntary controlled school's church criteria
<p>Louth St Michael's Church of England Primary School</p>	<p>Priority will be given to children of regular worshippers at a local Christian Church which is a member of 'Churches Together in Louth & District'. These are:</p> <ul style="list-style-type: none"> • St James Parish Church • St Michael's & All Angels • Holy Trinity • Stewton • Welton-le-Wold and South Elkington • Louth Methodist Church • South Elkington Methodist Church • Salvation Army • Louth Generations Church • Eastgate Union (URC/Baptist) • St Atelheards (Orthodox)

- St Mary's (Catholic)

Regular is defined as at least monthly attendance at the place of worship for at least a year before making your application. This will be verified by a signed letter from an officiating minister at the place of worship.

Skellingthorpe St Lawrence Church of England Primary School

Priority will be given to regular worshippers in a Christian Church. Regular will be defined as at least once a month at the place of worship for at least a year before making your application. This will be verified by a signed letter from an officiating minister at the place of worship.

A "Christian Church" is defined as a church that subscribed to the Christian doctrine of the Holy Trinity.

Oversubscription criteria for academies, foundation and aided schools

Academies, Foundation and Aided schools have their own admission policies which includes oversubscription criteria. The following pages contain a summary of the oversubscription criteria for Academies, Foundation and Aided Schools. Schools not listed individually use the Lincolnshire County Council policy given earlier in this book.

Definitions may differ from school to school. You should always check the school's full admission policy for definitions of key terms such as 'sibling' or 'home address'. To read the full admissions policy for a particular school you must contact the school direct, look at their website or visit www.lincolnshire.gov.uk/schooladmissions, where a full copy of the policy is available.

Barkston and Syston Church of England Primary School

- Looked after or previously looked after children
- Children living within the civil parishes of Barkston, Syston, Belton and Honington.
- Children living within the civil parishes of Hough on the Hill, including Gelston and Brandon.
- Children living within the civil parishes of Heydour, Welby, Oasby, Aisby and Culverthorpe.

(A map is available on the school website.)

- Priority is given to children of staff in either or both of the following circumstances:
 - Where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- If further places become available for allocation then preference will be given to a child with a sibling who will still be attending the school when the child is due to start.
- If there are any further places available for allocation the preference will be given to the child living the shortest distance from home to school measured by straight line distance.

The tie-break will be by straight line distance. The child living closer to the school will be offered. If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Bassingham Primary School

- Looked after children and all previously looked after children.
- A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.
- Nearest School: measured by straight line distance.
- Increasing order of straight line distance.

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be drawn by an independent person, not employed by the school or working for the Aspire Schools Trust.

Blyton Cum Laughton Church of England Primary School

- A. Looked after or previously looked after children.
- B. There is a sibling who will still be attending the school when the child is due to start.
- C. Children whose parents are actual communicant members of the Church of England and attend St Martin's Church, Blyton and All Saints Church, Laughton.
- D. Children whose parents attend any other Christian Church.
- E. Children who live within a radius of 1.5 miles of either of the school sites, measured in a straight line.
- F. Home to school distance as measured by straight line distance from a central point between the two sites.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston Carlton Road Academy

- A. Looked after or previously looked after children.
- B. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- C. The school is the nearest one to the home address by straight line distance.
- D. Straight line distance from home to the school, priority given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston Park Academy

- A. Looked after and all previously looked after children.
- B. There is a brother or sister at the school who will still be attending when the child is due to start, or on roll at the school at the time of application.
- C. Nearest School: measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston Pioneers' Academy

- A. Looked after or previously looked after children.
- B. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- C. Nearest School: measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston Saint Mary's Catholic Primary School

First priority in all categories will be given to siblings, that is children who will have brothers or sisters attending the school at the proposed time of admission.

- A. Catholic children looked after or Catholic previously looked after children.
- B. Catholic children living in the parishes served by the school.
- C. Catholic children living outside the parishes served by the school.
- D. Other children who are looked after or previously looked.
- E. Catechumens, Candidates and members of Eastern Christian Churches
- F. Children of other Christian denominations whose membership is evidenced by a minister of religion.
- G. Children of other faiths whose membership is evidenced by a religious leader
- H. Any other children not within categories A-G.

Parish boundaries are as shown on the map available on the school website.

If any of the categories are oversubscribed the tie break will be straight-line distance measured from the home to the school, priority given to those living closest. If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston St Nicholas CE Primary Academy

- A. Looked after or previously looked after children.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission. .
- C. Nearest school; measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living nearest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston St Thomas' CE Primary Academy

- A. Looked after children and all previously looked after children.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission
- C. Nearest school; measured by straight line distance.
- D. Straight line distance from home to the academy, priority will be given to the child living closest

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston Staniland Academy

- A. Looked after or previously looked after children.
- B. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- C. Straight line distance from home to the academy, priority will be given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston Tower Road Academy

- A. Looked after or previously looked after children.
- B. A sibling who will still be attending the school when the child is due to start.
- C. The straight-line distance from home to the academy, priority given to those living nearest.

If the distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Boston West Academy

- A. Looked after or previously looked after children.
- B. A brother or sister attending the school at the time of application.
- C. Nearest School: measured by straight line distance
- D. Increasing order of straight line distance.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Bourne Abbey Church of England Primary Academy

- A. Looked after or previously looked after children.
- B. A sister or brother on roll at the school at the time of application.
- C. The child is the child of a member of staff who:
 - a. Has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - b. Is recruited to fill a vacant post for which there is a demonstrable skill shortage
- D. The school is the nearest one to the home address by straight line distance.

- E. Straight line distance from home to the school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Bourne Elsea Park C of E Primary Academy

- A. Looked after or previously looked after children.
- B. A brother or sister on roll at the school at the time of application.
- C. The child is the child of a member of staff who:
 - a. Has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or
 - b. Is recruited to fill a vacant post for which there is a demonstrable skill shortage
- D. The school is the nearest one to the home address by straight line distance.
- E. Straight line distance from the home to the school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Bourne Westfield Primary Academy

- A. Looked after or previously looked after children.
- B. A brother or sister on roll at the academy at the time of application.
- C. Children of staff members employed at the school.
- D. The school is the nearest one to the home address by straight line distance.
- E. Straight line distance from home to the school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Bracebridge Heath St John's Primary Academy

- A. Looked after or previously looked after children.
- B. A brother or sister on roll at the school at the time of application.
- C. Children of part or full-time staff members working at the school.
- D. The school is the nearest one to the home address by straight line distance.
- E. Straight line distance from home to the school, priority given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Branston Church of England Infant School

- A. Looked after children and all previously looked after children.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission. In addition in the case of infant schools a brother or sister attending the associated junior school, or will be attending the associated junior school at the time of admission.
- C. Nearest School: measured by straight line distance.
- D. Increasing order of straight line distance.

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be conducted.

Branston Junior Academy

- A. Looked after or previously looked after children.
- B. A brother or sister on roll at the school at the time of application
- C. Children attending Branston Cof E Infant School, prior to starting at Branston Junior Academy.
- D. The school is the nearest one to the home address by straight line distance.
- E. Straight line distance from the home to the school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Butterwick Pinchbeck's Endowed Church of England Primary School

- A. Looked after or previously looked after children.
- B. A sibling attending the school.
- C. Children from Butterwick, Freiston, Benington and parts of Fishtoft, namely Hilldyke, Long Hedges, Willoughby Hills and Wythes Lane.
- D. Children from Leverton.
- E. Children with at least one parent who is a confirmed member of the Church of England.
- F. Straight line distance from home to school, priority given to those living closest.

If straight line distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Caythorpe Primary School

- A. Looked after children and all previously looked after children.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.
- C. Nearest School: measured by straight line distance.
- D. Increasing order of straight line distance.

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be conducted.

Chapel St Leonards Primary School

- A. Looked after or previously looked after children.
- B. A brother or sister on roll at the school at the time of application.
- C. The school is the nearest one to the home address by straight line distance.
- D. Straight line distance from home to school, priority given to those living closest.

If straight line distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Cherry Willingham Primary School

- A. looked after children, sometimes referred to as children in public care, or previously looked after children
- B. siblings of pupils who are on the roll of the academy at the time of the application. .
- C. children of a member of staff of the academy who has been employed at the academy for two or more years at the time of the application, or who has been appointed to a vacant post for which there is a demonstrable skill shortage
- E. children for whom the academy is the nearest state-funded school to their home address, measured by straight-line distance
- E. children who live nearest to the academy measured by the straight-line distance from the Post Office address point of the academy's main entrance to the Post Office address point of the child's home

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Colsterworth Church of England Primary School

- A. Looked after or previously looked after children.
- B. A brother or sister on roll at the school at the time of application.
- C. The child is the child of a member of staff who:
 - a. Has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or

- b. Is recruited to fill a vacant post for which there is a demonstrable skill shortage
- D. The school is the nearest one to the home address by straight line distance.
- E. Straight line distance from the home to the school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Coningsby St Michaels Church of England School

- A. Looked after children and all previously looked after children.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.
- C. Nearest school; measured by straight line distance.
- D. Increasing order of straight line distance.

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be conducted.

Cowbit St Mary's Endowed Church of England Primary School

- A. Looked after or previously looked after children.
- B. There is a brother or sister on roll at the school at the time of application.
- C. A child whose parent is a faithful and regular worshipper at St Mary's Church, Cowbit.
- D. The school is the nearest one to the home address by straight line distance.
- E. The straight-line distance from home to the school, priority is given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Cranwell Primary School

- A. Looked after or previously looked after children.
- B. Sibling currently attending and who will still be attending when the child starts.
- C. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Edenham Church of England School

- A. Looked after children and all previously looked after children.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.
- C. Nearest School: measured by straight line distance.
- D. Increasing order of straight line distance.

If the distance criterion is not sufficient to distinguish between two or more applicants for the last remaining place then a lottery will be conducted.

Fishtoft Academy

- A. Looked after or previously looked after children.
- B. A brother or sister at the school who will still be attending when the child is due to start or on roll at the school at the time of application.
- C. Nearest School: measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Friskney All Saints Church of England Voluntary Aided Primary School

- A. Looked after or previously looked after children.
- B. Sibling will be attending at the time a place is required.
- C. The school is the nearest one from the home address by straight line distance
- D. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Frithville Primary School

- A. Looked after or previously looked after children.
- B. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission.
- C. Nearest School: measured by straight line distance.
- D. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Gainsborough Benjamin Adlard Primary School

- A. Looked after children and all previously looked after children.
- B. Children with a sibling attending the school at the time of application.
- C. Children where the parent has been employed at the school for two or more years at the time at which the application for admission to the school is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
- D. Straight line distance from home to the school, priority given to the child living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Gainsborough Castle Wood Academy

- A. Looked after children and all previously looked after children.
- B. A sibling on roll at the school at the time of application.
- C. Straight line distance from home to school, priority given to those living closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Gainsborough Hillcrest Early Years Academy

1. Looked after children and all previously looked after children.
2. A brother or sister attending the school at the time of application, or who will be attending the school at the expected time of admission. In addition, in the case of infant schools, a brother or sister attending the associated junior school, or who will be attending the associated junior school at the expected time of admission
3. Nearest School: measured by straight line distance
4. Increasing order of straight line distance
5. Children of staff members.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Gainsborough Mercer's Wood Academy

- A. Looked after children and all previously looked after children.
- B. A sibling on roll at the school at the time of application.

- C. Whether this is the school closest to the home address by straight line distance.
- D. Straight-line distance from home to school, priority given to those who live closest.

If distance is not sufficient to distinguish between applicants for the last place then a lottery will be conducted.

Guide to the list of schools in Lincolnshire

All our infant, junior and primary schools are listed on the following pages. They all admit both boys and girls.

Contact details

This gives the ways you can contact the school, including the Headteacher's name.

Category, admission authority, type and age range

This gives the type of school, whether the governing body or local authority decide on the admission policy, and the age range they will admit.

Admission number

Also known as the published admission number, this column tells you the number of places the school will offer for the normal year of entry or to the nursery if they have one.

School size

This tells you approximately how large the main school is. This doesn't include any nursery classes.

We have also included the DfE number.
