

The Bythams Primary School

Creeton Road, Grantham. NG33 4PX. Tel: 01780 410275

Executive Headteacher: Mrs A. Cook. Head of School: Mrs L. Ives

Our pupil voice described us as *'a small school with a big heart'*. Over the years this phrase has stuck because of our caring ethos, broad and quality curriculum, small class sizes, and an extremely dedicated staff.

Here at The Bythams we know, understand, and nurture every child so that they are able to grow and flourish academically, socially, emotionally, and physically to perform at their best and achieve. Our school is a very special, nurturing, and happy place for our children to learn and thrive as individuals.

We work closely with our families and community in order to build a supportive partnership and pride ourselves on developing such relationships.

You will see our teachers are enthusiastic, dedicated and want every child to succeed. They have a wealth of skills and experience which fully supports our pupils.

Our reception area is a large, bright, welcoming learning environment and leads onto an extensive, well-resourced, outdoor EYFS area.

Children are motivated to explore, investigate, make relationships, create, problem solve, and are eager to take on challenge. We secure the foundations for their future learning through a high quality EYFS curriculum.

We are proud of our rural location and make the most of this through our weekly 'Wood School' curriculum, also incorporating aspects of science. We have a dedicated outdoor learning leader. Children are fully engaged and enjoy growing fruits and vegetables in our fantastic allotment.

In addition to our reception teacher, we are lucky to have two very experienced support assistants who help scaffold reception children in their learning and immerse them in their play.

Our Sports Apprentice is also based in the early years classroom, fostering children's physical development through a variety of early years activities.

We are a Read, Write, Inc. school which means we value the importance of high-quality phonics teaching and learning so that children quickly learn to read and become motivated and fluent readers.

We place high importance on reading and writing, developing a rich vocabulary, and a love of learning.

We are also a White Rose Maths school, which fosters a maths mastery approach in promoting a comprehensive understanding of mathematics so that all children enjoy and fully grasp maths concepts.

We run a range of after school and sports clubs, which children look forward to attending.

We have a before and after school club on site, which also provides breakfast and a cooked meal after school. School holiday club runs outside of term time.

If you would like to discover more about our school and visit us to see for yourself, please do contact us at enquiries@bythams.lincs.sch.uk or **01780 410 275**.

Our Head of School will be very happy to meet you, show you around and answer further questions.
